

○ **Our Warranty Promise**

- At Fence Works, we believe your investment should be protected for the long haul. That's why every fence we build comes with two layers of protection:
-  **Lifetime Craftsmanship Warranty**
- We stand behind the quality of our work. If there's ever an issue caused by our installation, we'll make it right—no questions asked.
-  **Limited Lifetime Product Warranty**
- Your fence materials are also covered by the manufacturer's limited lifetime warranty, giving you peace of mind that your product is built to last.
- ---
- Together, these warranties mean you're covered from start to finish: the materials that make your fence strong and the craftsmanship that ensures it's built right. With Fence Works, your fence isn't just another project—it's a promise of lasting quality.

).

- **Other Service Pages (Vinyl, Wood, Chain Link)**

- **Vinyl**
- If you're looking for a fence that combines beauty, strength, and low maintenance, vinyl is one of the best choices you can make. At Fence Works, we install high-quality vinyl fences that look great and last for decades.
-  **Low Maintenance**
- Forget painting, staining, or sealing. Vinyl fences keep their color and finish without the constant upkeep of wood. A simple rinse with the hose is all it takes to keep them looking new.
-  **Long-Lasting Durability**
- Vinyl won't rot, rust, or attract insects. It stands up to sun, rain, and snow without warping or fading, making it perfect for Kentucky and Indiana weather.
-  **Stylish & Versatile**
- Available in a variety of colors and styles, vinyl fencing offers privacy options, decorative touches, and clean lines to match any home.
-  **Safe & Family-Friendly**
- Smooth surfaces and no sharp edges make vinyl a safe option for kids and pets. Plus, it provides excellent privacy and security.
-  **Cost-Effective Over Time**

- While vinyl may have a higher upfront cost than wood, the long lifespan and nearly zero maintenance save you money year after year.
-  **Backed by a Warranty**
- All of our vinyl fences come with a Limited Lifetime Product Warranty and our Lifetime Craftsmanship Warranty, giving you total peace of mind.

Chain When you need a fencing option that's practical, secure, and cost-effective, chain link is hard to beat. At Fence Works, we install high-quality chain link fences that deliver long-lasting performance at an affordable price.

Affordable & Cost-Effective

Chain link is one of the most budget-friendly fencing options available, making it ideal for both residential and commercial properties.

Strong & Durable

Built from galvanized steel, chain link fencing can handle tough weather conditions and years of use without warping or rotting.

Low Maintenance

With its protective coating, chain link resists rust and corrosion. Aside from occasional cleaning, it requires little upkeep.

Secure & Functional

Whether you're keeping pets and kids safe or protecting a business property, chain link provides a secure boundary that gets the job done.

Versatile Options

Available in standard galvanized steel or vinyl-coated finishes (black, green, and more), chain link can be customized to blend with your property. It can also be built taller for added security.

Quick Installation

Chain link fencing is one of the fastest fence types to install—meaning you'll have security and peace of mind in place without long wait times.

Wood

Classic & Timeless Look

Wood fences have a natural warmth and beauty that never goes out of style. From picket to privacy, they're a perfect fit for almost any home.

Versatile Styles

Choose from countless designs—picket, shadowbox, privacy, split rail, and more. Wood fencing can be customized to match your home's character and your vision.

Cost-Effective

Wood fences are often less expensive upfront than vinyl or aluminum, making them a great option when you want value without sacrificing appearance.

Easy to Customize

Wood can be painted, stained, or left natural. That means you can change the look of your fence anytime to match your landscaping or home updates.

Strong & Reliable

When installed correctly, wood fencing provides years of privacy and security for your family, pets, and property.

Environmentally Friendly

Wood is a natural, renewable resource. With proper care, it's both eco-friendly and long-lasting.
